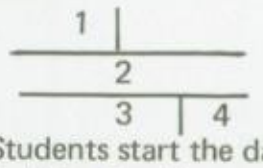
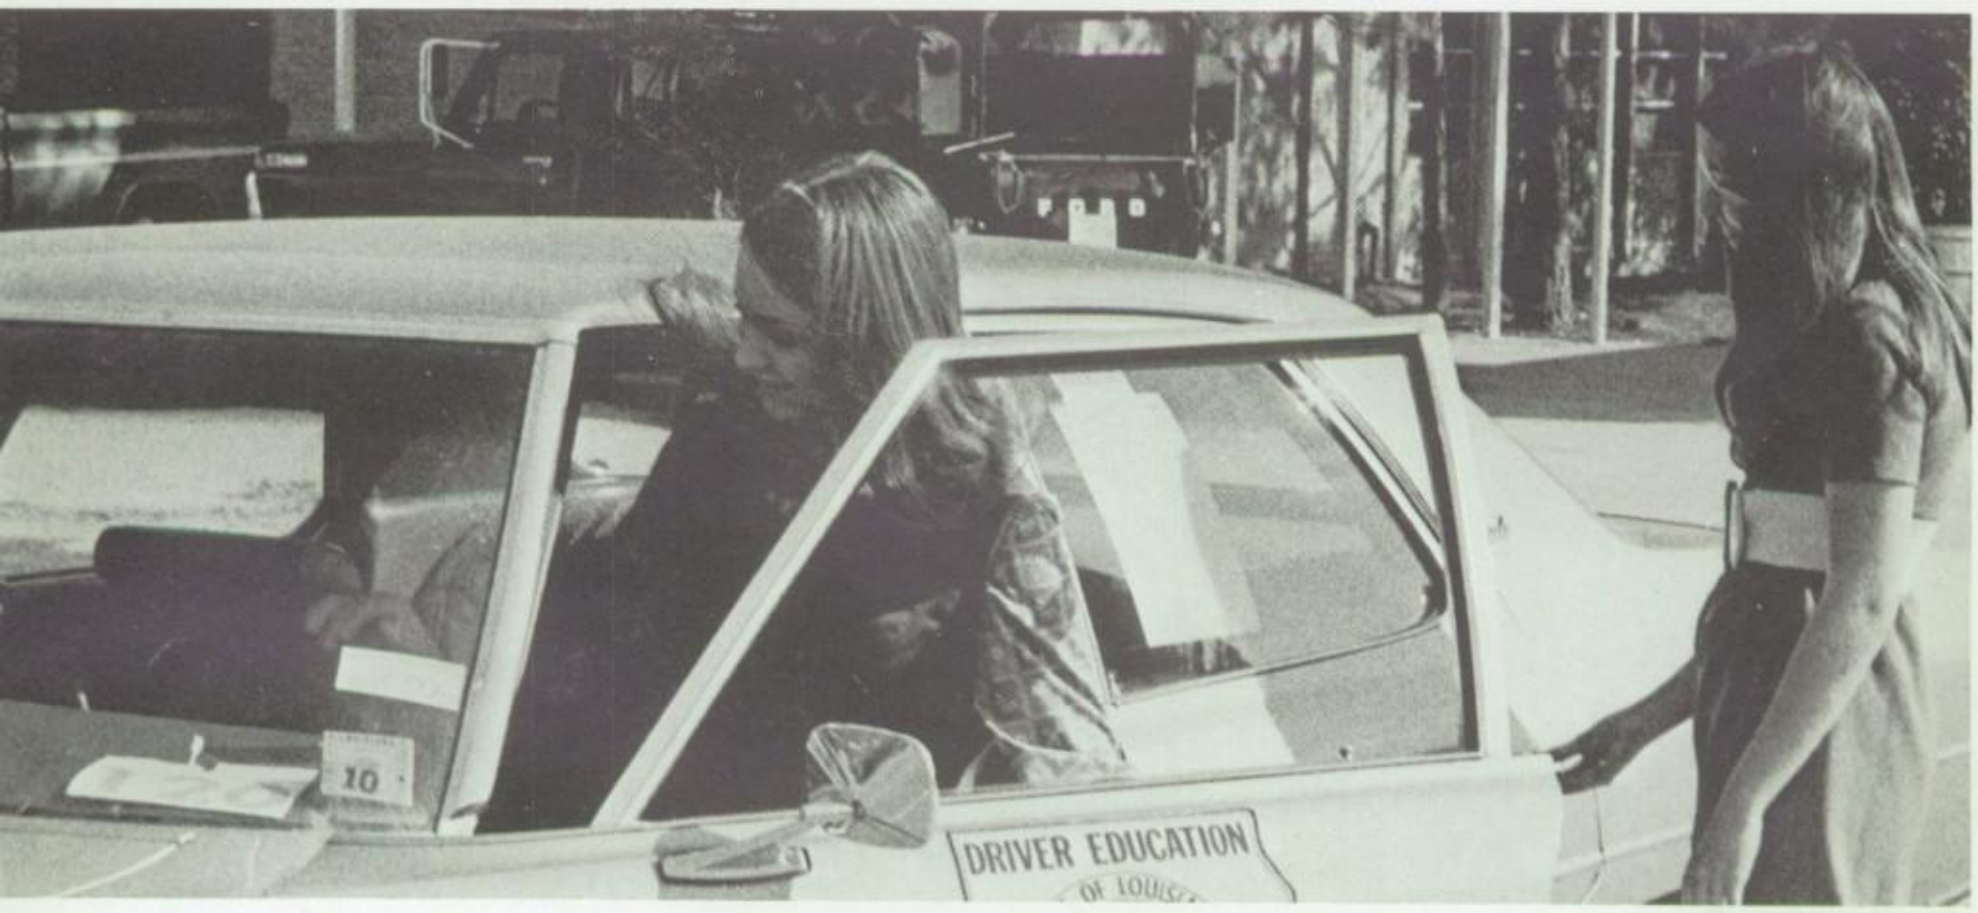
STUDENTS IN DRIVERS' EDUCATION SPEND SIX weeks in the classroom and in the simulators. After this six weeks the students begin a two week driving period in which they become adjusted to the car and learn the situations of the road. Students study under the guidance of Mr. Bob Burnley and Mr. Elvin Sprears.



1/Students start the day's driving lesson.
2/Debbie Davidson and Lynn Kirkam take turns driving.
3/Larry Brown studies the situation ahead of time.
4/Debbie Davidson finishes her daily drive.



ENGLISH STUDENTS WERE FROM MONROEVILLE, ALABAma, to the farm lands of China this year. Improved library resources aided in areas of literature and grammar.

Cooperation and talent of various students helped with the 1972 publication of Quill and Scroll.

English IV classes attended two plays presented by the NLU speech and department during the fall.

Participation in classroom plays, discussions, and student work helped in making the school year unusual.

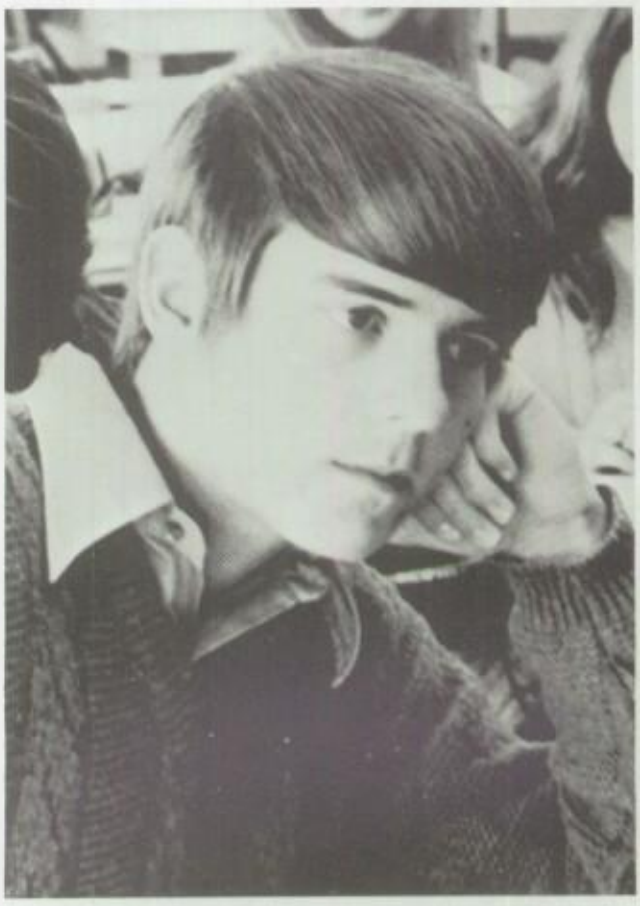
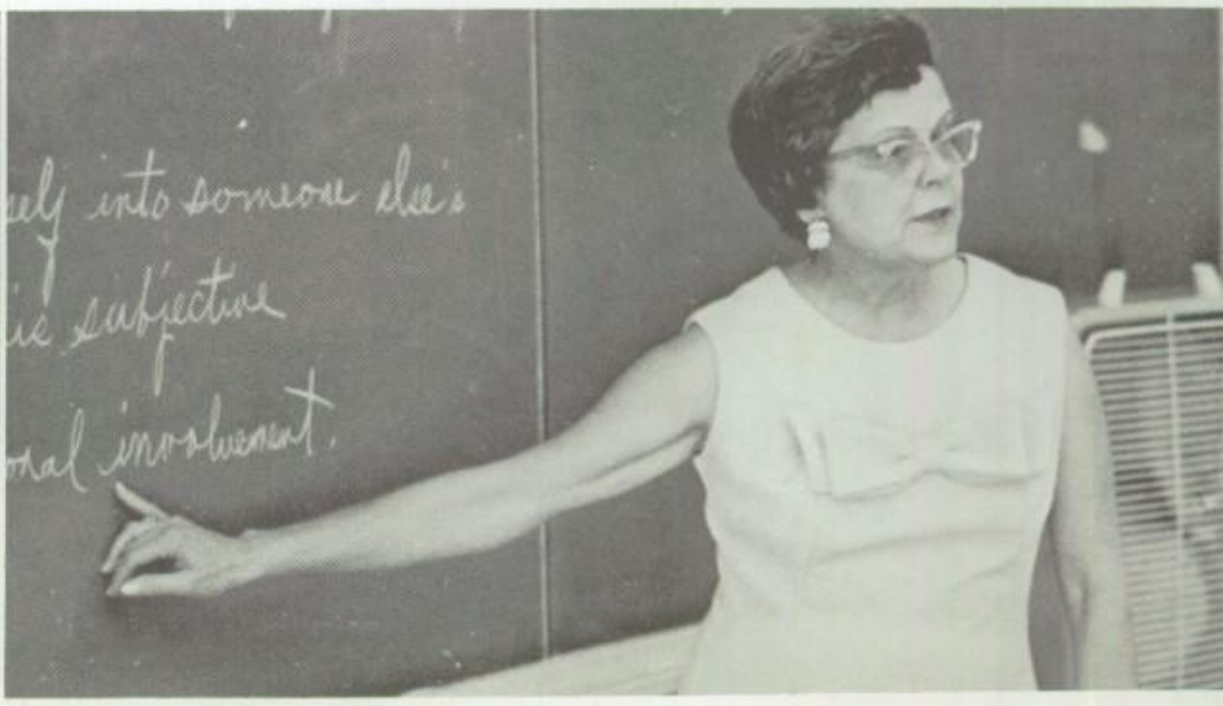
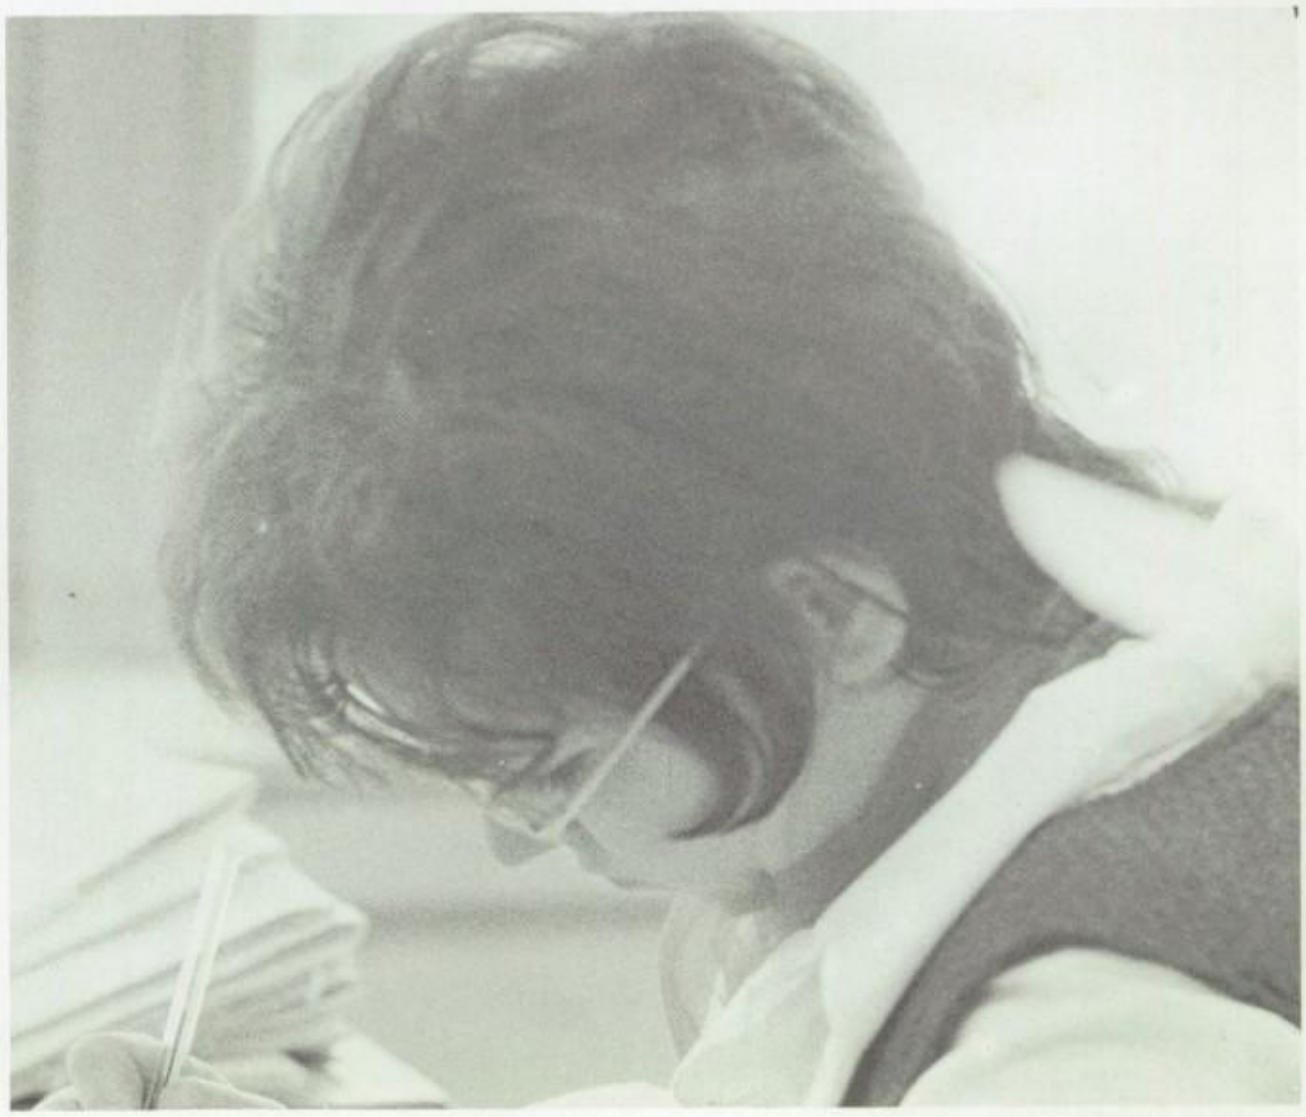
SPEECH CLASSES HELPED IN DEVELOPING SELF-EXPRESSION. Students participated in debates, plays, classroom elections, and discussions. Displaying knowledge plus talent, students helped in holiday programs and talent shows. Highlight of the fall was "F. L. I. P. P. E. D.," the Junior Thespian play.





THE NUMBER OF STUDENTS ENROLLED IN JOURNALISM this year is a great increase as the course was divided into Journalism I, Journalism II. Students worked on the Rebel Dispatch, using innovations and new techniques.

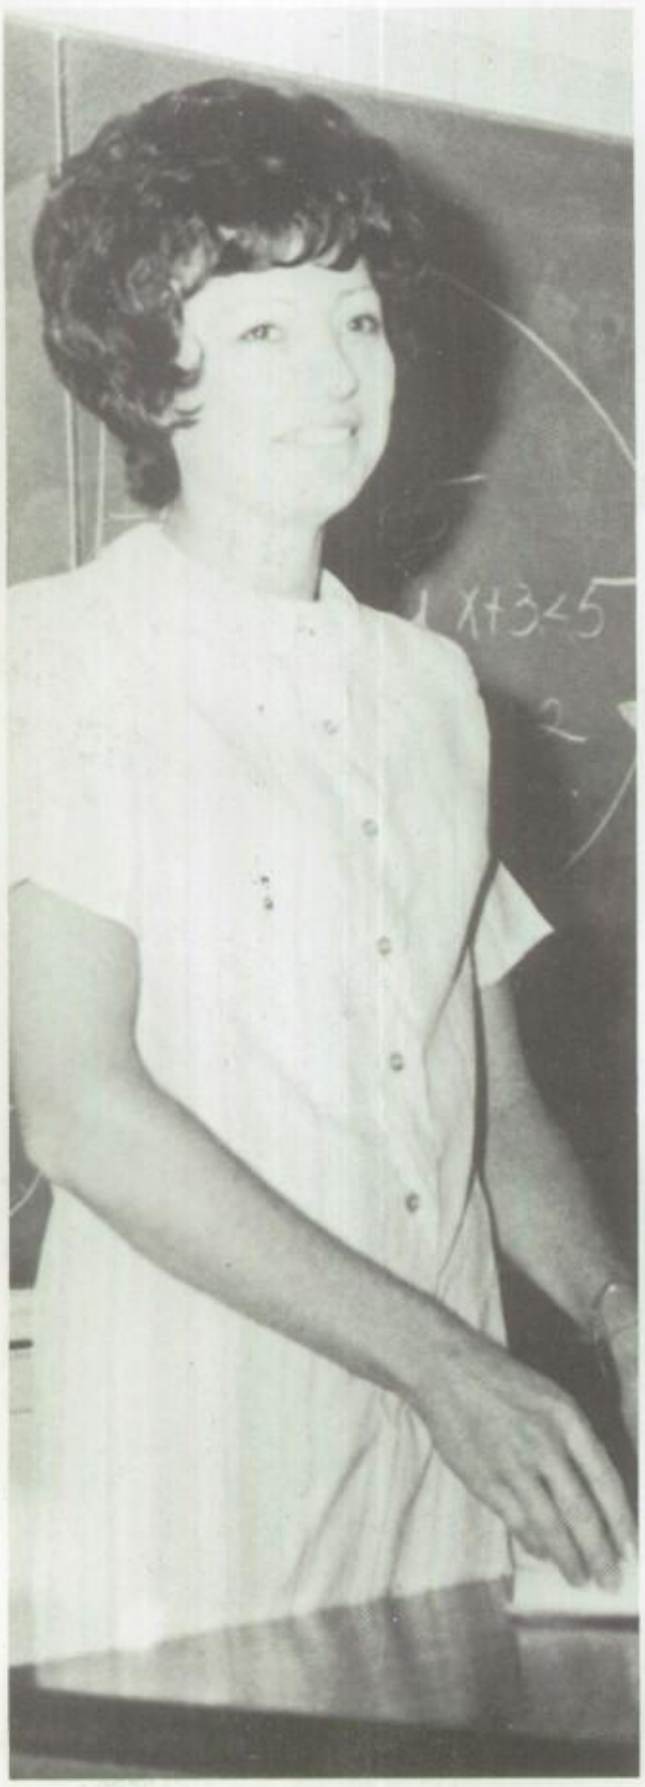


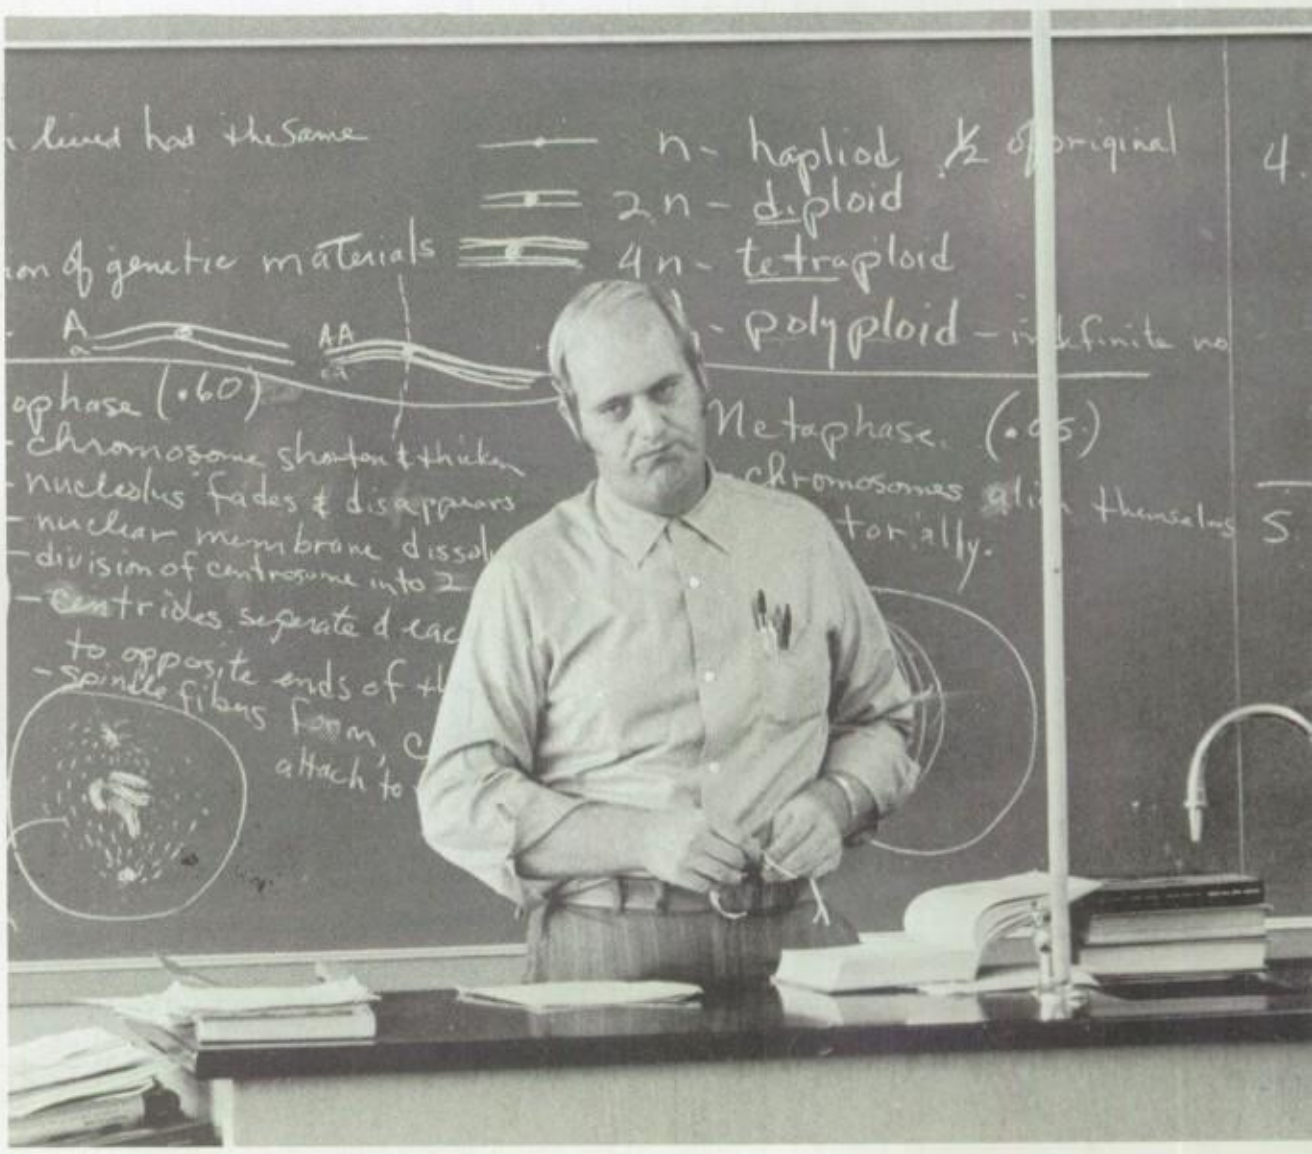
DISSECTING FROGS AND WORMS, OR MICROSCOPIC viewing of one-celled animals were traditional studies in Science.

However, new ideas added dimensions as 203 bones of Mr. Skeleton were investigated in Biology. A Physics class explored the world of electrons, and Chemistry classes once again learned chemical reactions through experiments.

Along with science the WMHS Math Department offers every fundamental math course for college bound students.

Math curriculum courses included subjects starting with Algebra I, and going into Algebra II, Geometry, and Business Math.



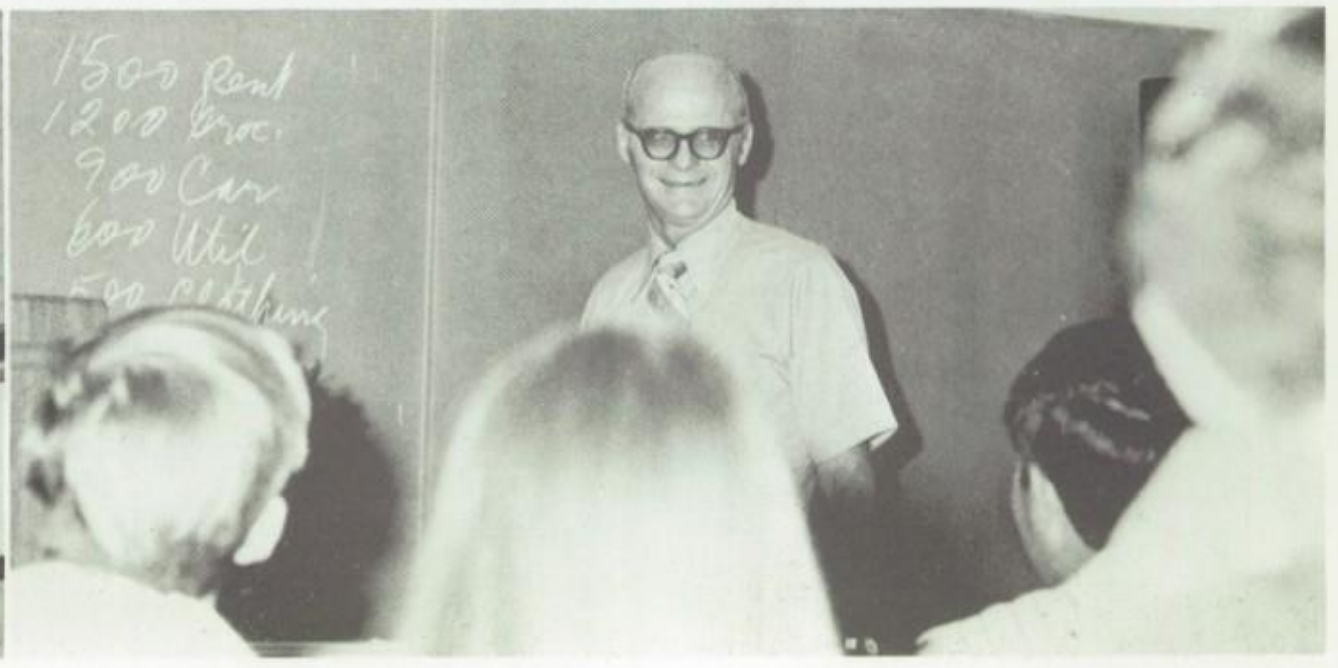


IN COOPERATION WITH THE PUBLIC SCHOOLS, DISTRIBUtive Education and Office Education are courses in which students are allowed to secure jobs and work in the afternoon while attending their regular morning classes. Students enrolled are given credits for the course.

D. E. students learn marketing in classroom training and work done in Twin City offices in the afternoon.

An Associate Chapter of D. E. was formed under the direction of Mr. "Red" Ruppert.

O. E. students, like those D. E. attend classes half a day and work the remainder of each day. A highlight of the year was the annual Bosses' Night banquet.



ELECTION SEASON MEANT CLASSROOM ELECTIONS AND discussions held in social studies classes in October and November.

Textbooks aided students in giving a background of past elections and problems.

Records and films helped students learn about historical events in a creative way.

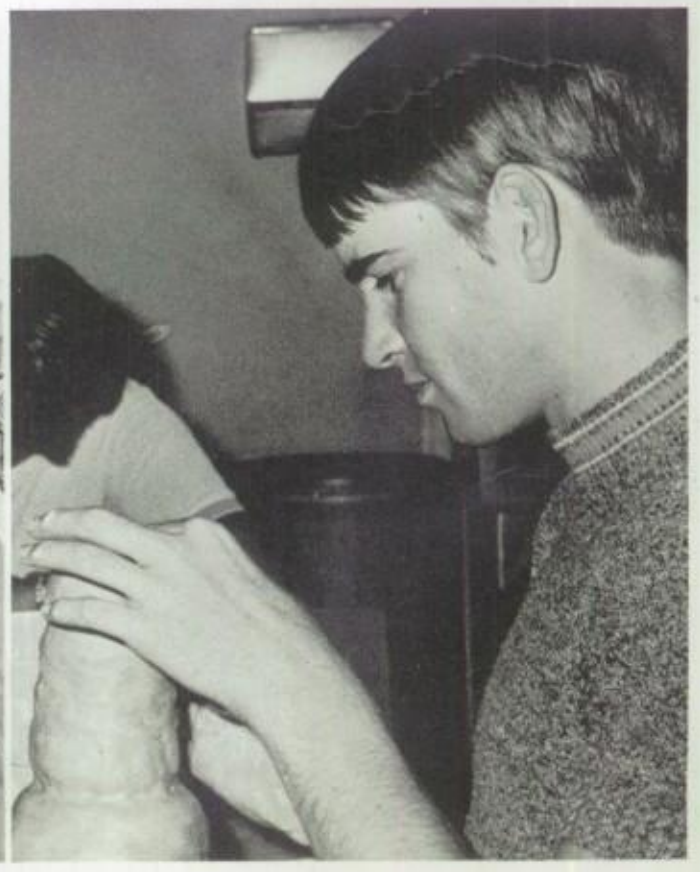
WITH MINDS THINKING AND FINGERS WORKING, GREAT artistic ability was expressed in Art and Home Economics classes.

Art students traveled to Columbia for the annual Louisiana Art and Folk Festival. A new Art Club was formed and became quite active during its first year by making Christmas ornaments and key chains. Once again the art department was responsible for creating Easter decorations.

The Home Economics Department was responsible for conducting Open House and a style show in November among other programs to bring parents, students, and teachers together.



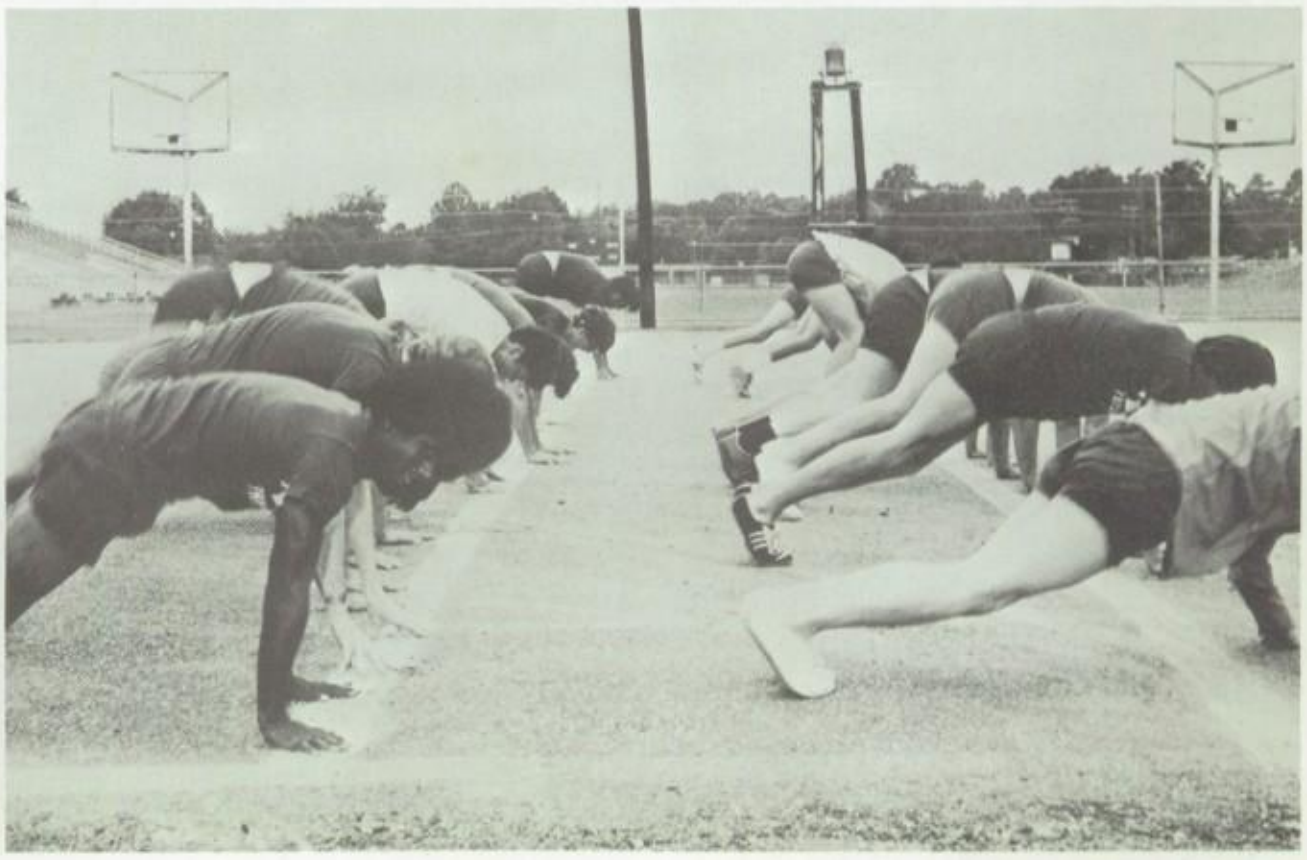
TONES OF HAPPINESS ECHO THROUGHOUT THE HALLS OF the Music department. Each year several programs are presented by the Band and Choir.

During the Homecoming Assembly the Ensemble dressed as Mother Goose characters to sing several arrangements. In conjunction with the WMHS Band a Christmas program was also presented. Hard work, variety, and interest all go together to make each year unusual.

DRESS - LEFT DRESS!" "YOU'RE OUT!" THESE were common used phrases in physical education and newly instituted Air Force Junior R.O.T.C. classes. New ideas used by both programs brought a change in teaching techniques.

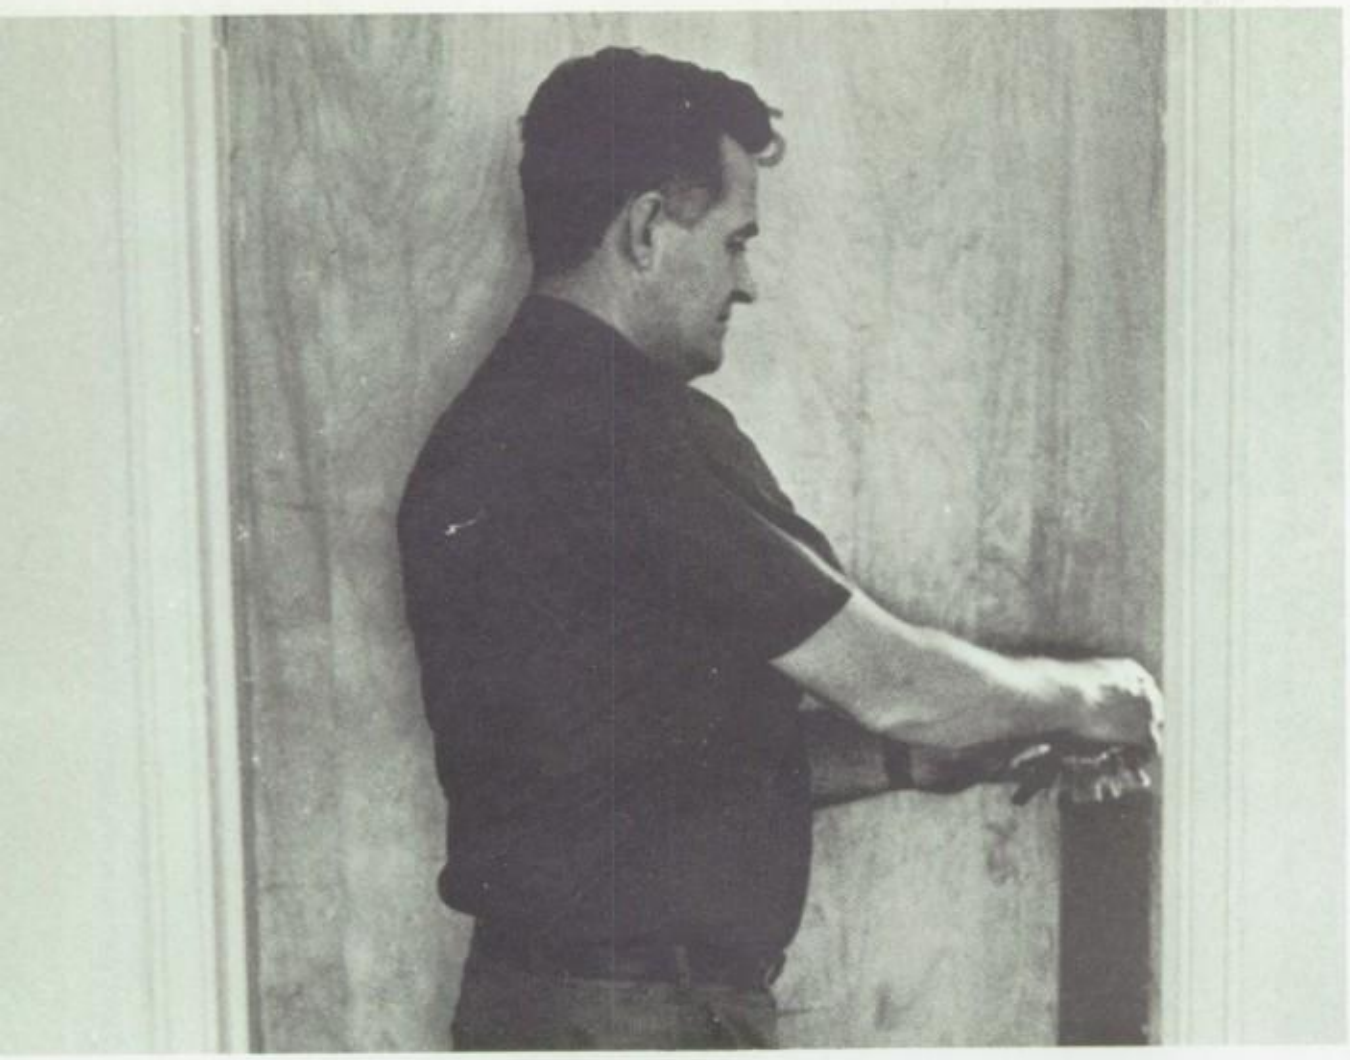
PATIENCE, INTEREST RESPECT, AND HARD WORK were emphasized in the Jr. ROTC program throughout the year. A highlighting event was a ride on a helicopter from Fort Polk, La.

Intra-class sports and regular, stimulating exercises were scheduled for students. Among activities displayed were kick-pin soccer, golf, scoop volley, and soft ball.



A WIDE VARIETY OF SERVICES TO STUDENTS AND faculty is offered by the WMHS Library. Daily newspaper readers, term paper researchers and book browsers find newest resources available.

Library workers give up study hall periods to assist with library work. Some of the services include sorting library mail, straightening library shelves, and sending overdue statements.



WMHS STUDENTS AND FACULTY WERE SORRY TO see former maintenance supervisor, Mr. Harold Thomas, assume his new position with the parish school board. However, Mr. J. W. Grigg has become a familiar face around the campus. He and his staff are on the job at all times, keeping WMHS in shape. Their dedication and patience helped us through the year.

Responsibility is placed high on West Monroe High School's Cafeteria workers, under supervision of Mrs. Weems. Major responsibilities are planning well-balanced meals and coordination of the cafeteria operation. A welcome to the hungry student is the WMHS cafeteria.

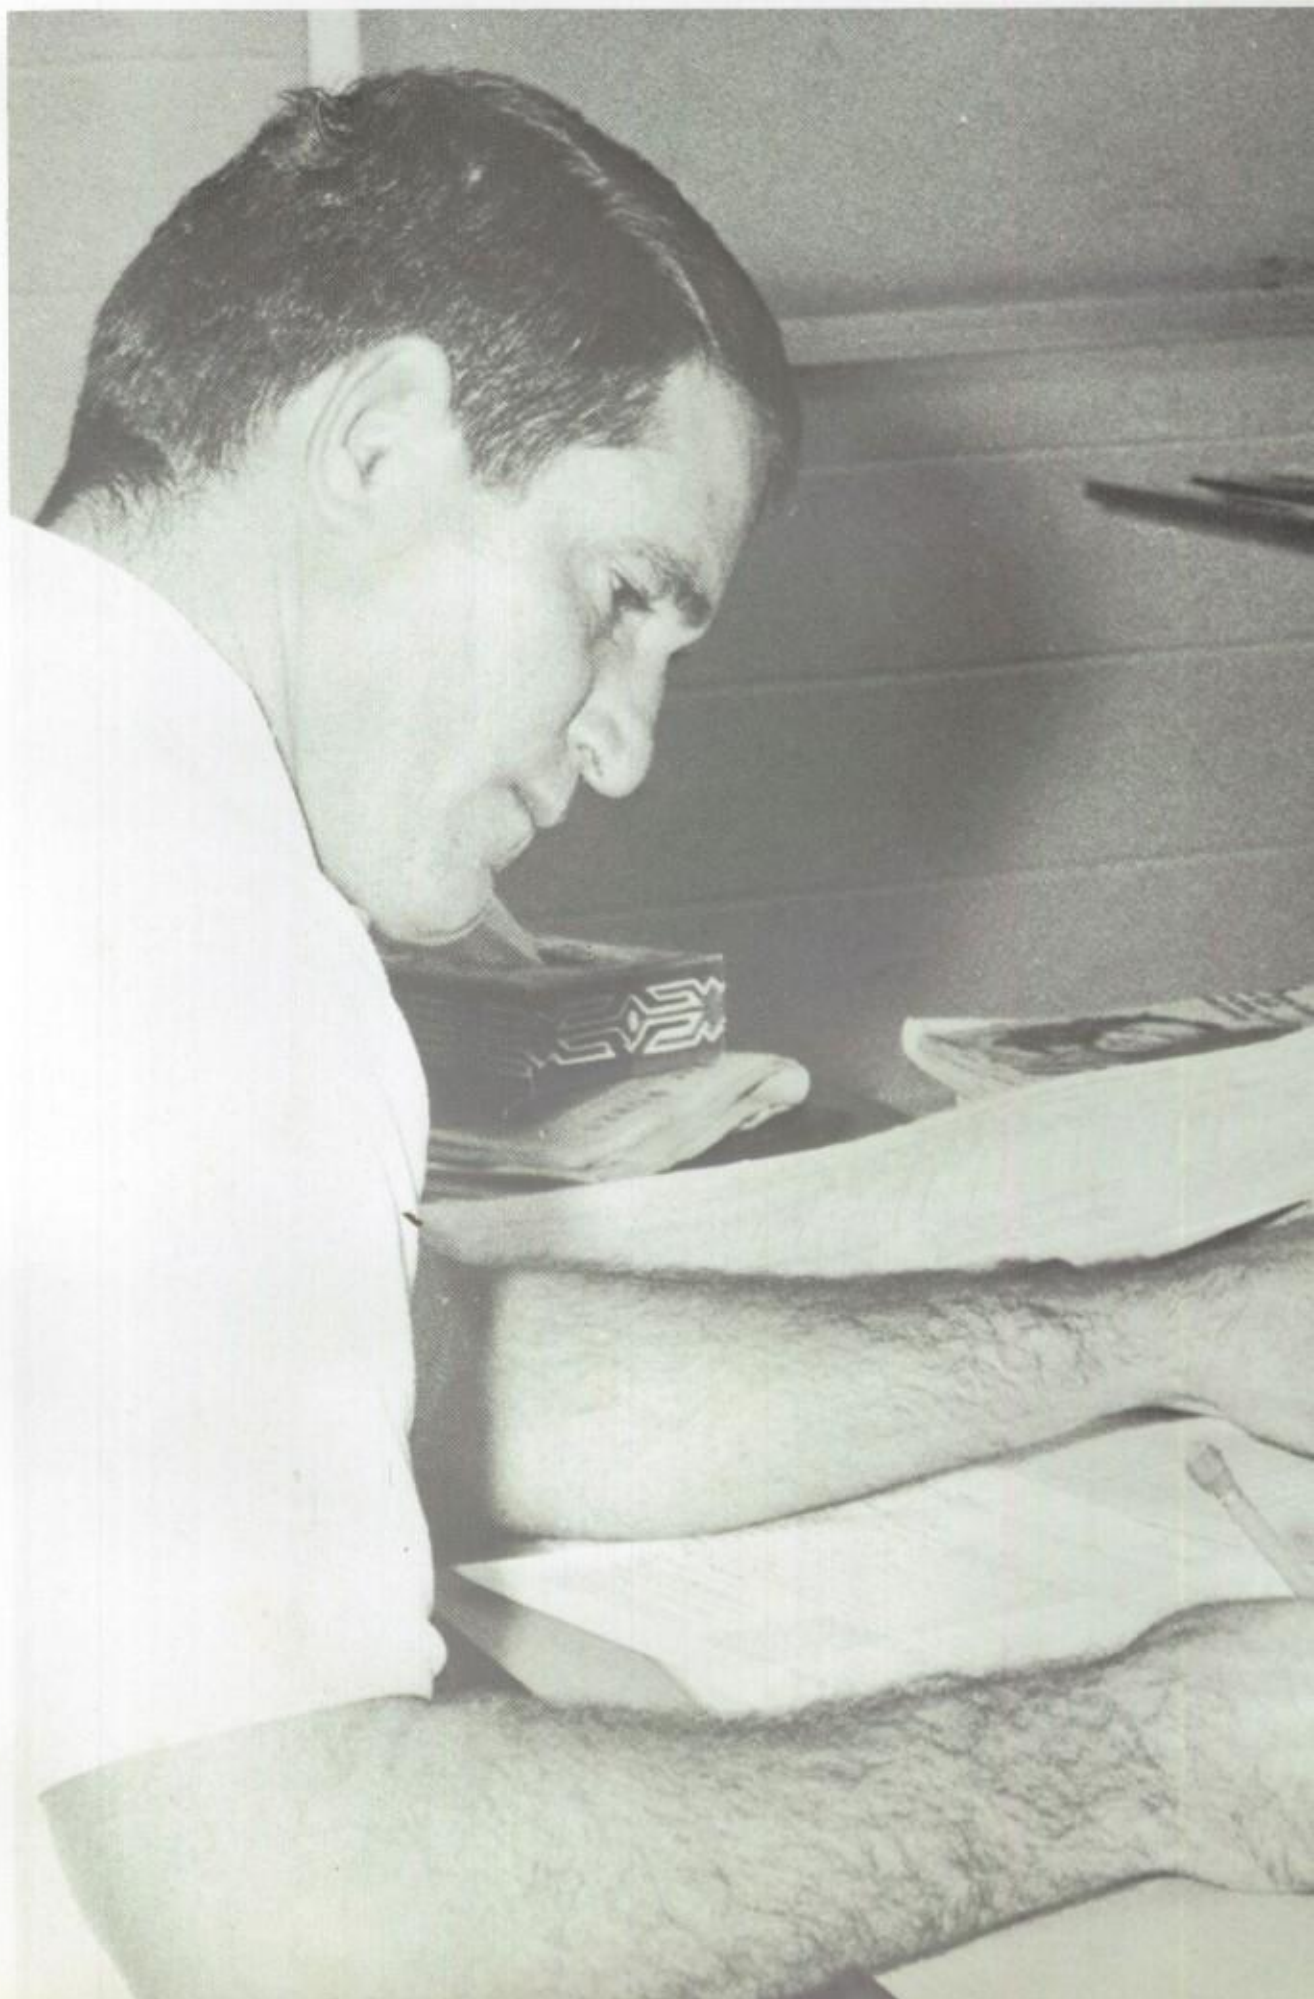
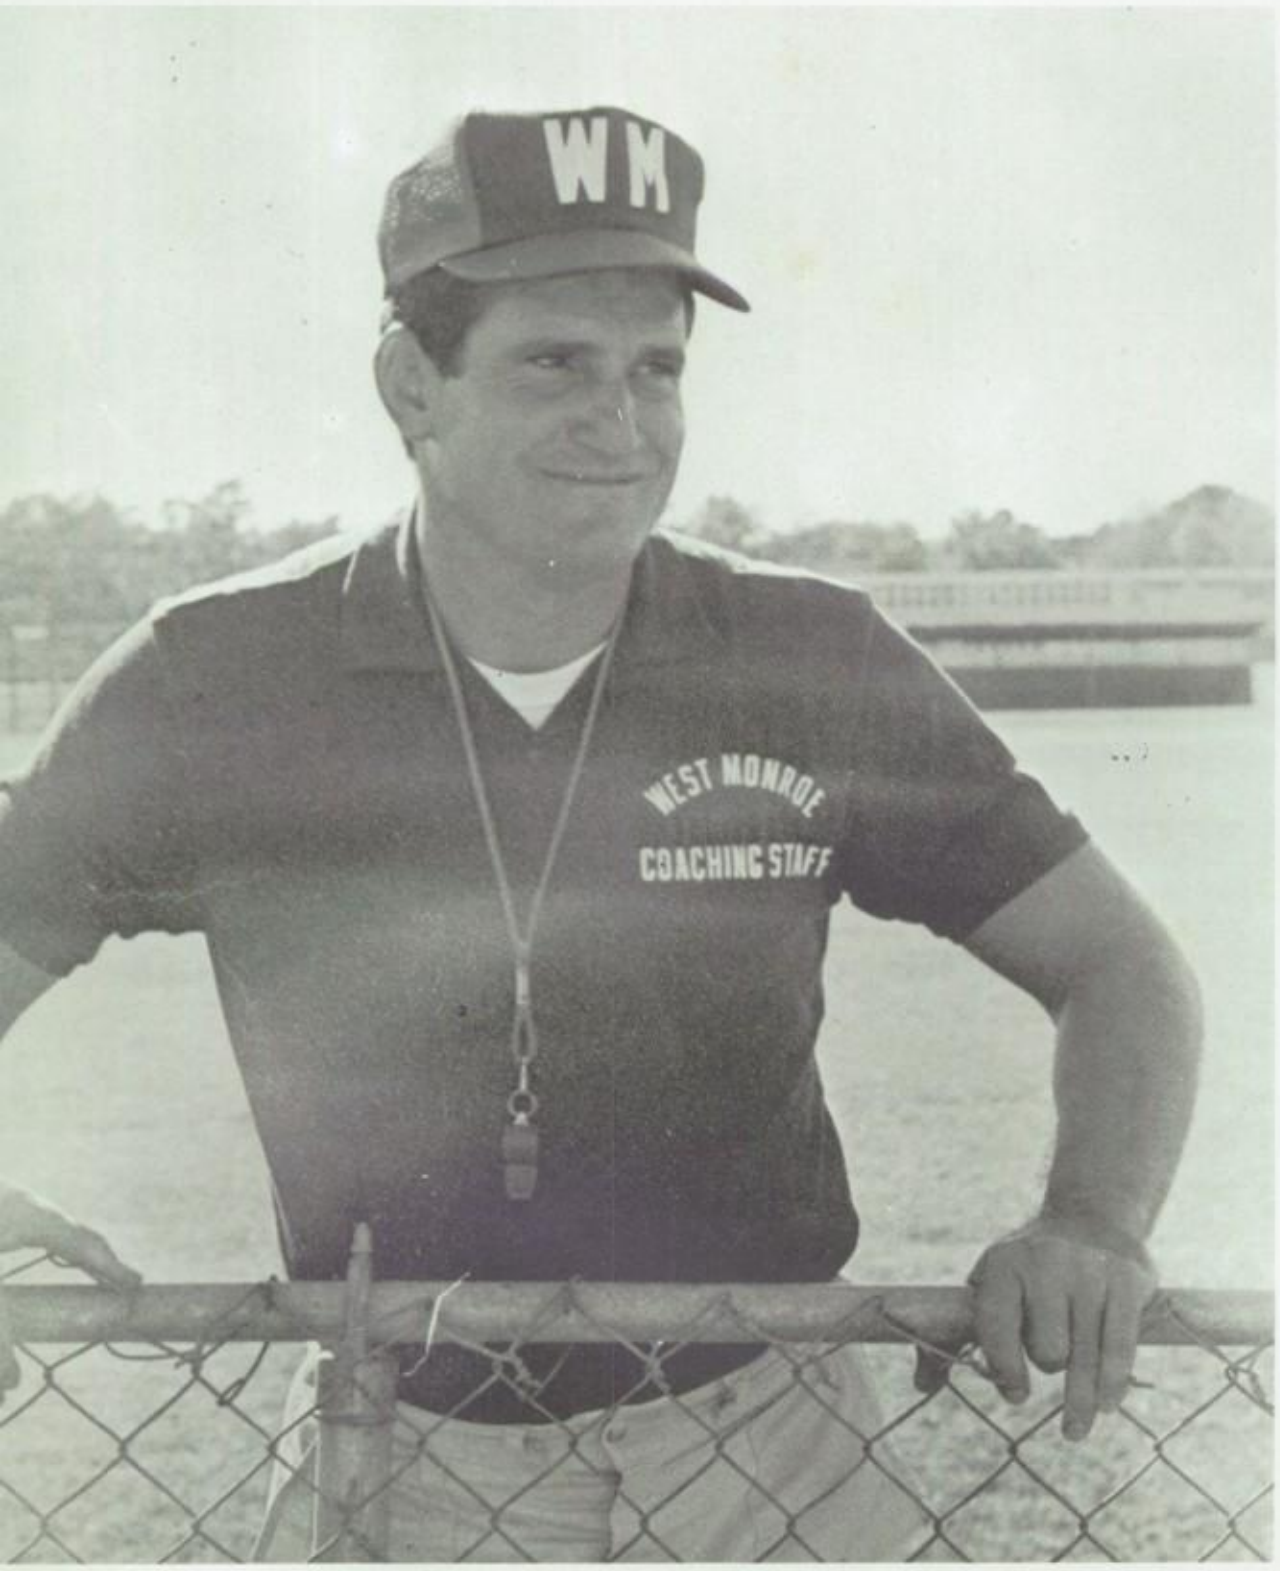
COACH JACK WILLIAMS IS A FAMILIAR FACE TO students and faculty at West Monroe High School.

Since he came to WMHS in the fall of 1963, Coach Jack, as he is known to all, has worked to make West Monroe High School individual and superior to other high schools.

Having received his B.S. from Northeast Louisiana State College in 1962, Coach Jack earned his master's degree two years later at the same college. Student teaching at West Monroe High School, before graduation from NLSC, Coach Jack knew that this was the school for him.

As a young teacher, he taught world history, civics, and geography here. More recently, he has taught only boys' physical education courses, in addition to coaching track.





Now in his tenth year at WMHS, Coach Jack has produced some of the most successful track and Cross Country teams in this area. Traveling to Baton Rouge for State Track Meets and to other locations for competition, he has repeatedly shown his character and ability through his team's consistent victories.

Well-liked by students and faculty members, good-natured, always smiling, never too busy to listen to a problem, eager to be of assistance in time of need, and dedicated to his profession, he has been an inspiration for students to establish personal goals of high achievement.

Coach Jack Williams, we dedicate this 1972 Rebelaire to you!

Sandy McCormick HAS BEEN CHOSEN THE 1971 WMHS BEAUTY. THE CONTEST TO CHOOSE THE "MOST BEAUTIful senior girl" and "most handsome boy" is an annual project of the senior class. In previous years, we have been striving to be as unbiased as possible in the final selection of the title-holder. Again this year the method of selection was modified. Nominations were limited to the senior class out of which eight girl and eight boy semi-finalists were chosen. Portraits were made of these by Roger Kelley Photography and the candidates selected their best proof. Portraits were then sent to be judged.

There they performed in St. Louis' Cathedral for the 12 o'clock mass on Easter Day. On the agenda for the year were their various performances during the Christmas season, and traveling to Ruston for district festival on hopes of receiving a superior rating in state competition.

To culminate the year's activities, WMHS Rebel Choir presented its annual Spring Concert.

STUDENT COUNCIL IS A VERY IMPORTANT BODY AT W.M.H.S.

Meeting at least once a month they discuss the problems of the school and of making it more enjoyable for the students. They sponsored Teacher Appreciation Week February 14-19. Also the Council directed the annual Career Day for the sophomores February 18. During football season they held a pin-the-tiger contest in which the Seniors won with a total of 30,000 pins. A Student Council member is elected by the student body. It is required of a member to have an 85 average, and to attend every meeting. If the Student Council member does not maintain this average, he is dropped from the list.

REHEARSING FOR F. L. I. P. P. E. D. (FEMALE IDEALIST'S PARTY FOR PERMANENT EQUALITY AND DEMOCRACY) ARE members of the cast. Women Liberationists stage a demonstration at the Kitten Club, a Dallas tourist trap. The place is raided by cops and the members are taken to court.

POLLY WANT A DOODLE" OR "HOW ABOUT A SPARkle stick?" are familiar lines for the WMHS Rebelettes. These money-making projects were used to pay the salary of the marching instructor, Mr. Johnny Rugg.

Rebelettes are spirit-makers of West Monroe High School. They participate in all football halftimes, attend all basketball games and represent West Monroe in area Christmas parades.

Rebel Raiders are lead by four co-captains. Under the supervision of Mrs. Carol Davis, a former Warbonnet at NLU for fours years, Raiders have worked long and hard to maintain their reputation as a fine precision dance and drill team.

SPIRIT HAS BEEN THE KEY WORD ASSOCIATED WITH VARSITY CHEERLEADERS. THEY LEAD yells at pep rallies, bonfires, football games, basketball games, and other activities.

During the summer, the varsity cheerleaders attended NCA Cheerleader Camp at Northwestern and received three superior ribbons, one excellent and one outstanding. They also brought back a 1971 Spirit Stick. At the Twin City Mall Cheerleader Contest during the fall, the WMHS cheerleaders won a second place trophy.

JUNIOR VARSITY CHEERLEADERS HAVE FAITHFULLY SUPported J. V. teams throughout the year displaying tremendous spirit and pep. They also lead several yells at each pep rally and Varsity football game, and aided the Varisty cheerleaders in planning the bonfires.

REBS GOT OFF TO A SLOW START AGAINST FERRIday Trojans. The first Rebel touchdown was scored by Tommy Glass with less than two minutes left to play in the first half. John Sullivan kicked the extra point. Outstanding defensive efforts by Ricky Sanderson and Dexter Cyrus gave the Rebs two safeties to add to another touchdown by Glass with Sullivan converting to make the final score 18-0.

REBS HOSTED CROSS-TOWN RIVAL RICHWOOD RAMS Ram quarterback Dale Zimmerman threw three touchdown passes to Samuel White and Richwood ran for another. Rebel Bill Peterson covered a fumble on the Rams 42 to give life to the West Monroe attack. Quarterback Rand / Fleming hit Tommy Glass with a 34 yard pass to the Rams 3. Lawrence Bourg plunged from the 3 for the only Rebel score with John Sullivan converting the PAT. Final score Rams 28, Rebs 7.

Rebels traveled south to Central of Baton Rouge. The Rebs immediately took charge. Tommy Glass romped 65 yards for an early score only to have it nullified on a clipping penalty. Later in the first quarter Kent Adams covered a Wildcat fumble on their 23 yard line. Fleming then passed to Larry Ballard for the touchdown with Sullivan booting the PAT. With less than 4 minutes left in the first half Fleming picked up a fumbled handoff and raced 78 yards to the Wildcat 15. Rodney Russell carried over from there for the score. After a Wildcat interception and fumble, Lawrence Bourg scampered 20 yards for another score. Final score was West Monroe 35, Central 0.

REBELS WENT TO NEVILLE TRYING FOR A UPSET WIN; but they met a tough Tiger defense and superior passing attack. Reb defense held well, but the offensive couldn't start clicking. Quarterback Dennis Surratt tossed three touchdown passes, and the score stood 12-0 at half-time. In fourth period Hilton McMurry broke loose for 39 yard touchdown run. With 6:00 left to play, Rebels had charge until a heavy rush blocked a Billy Hulsey punt to give the Tigers the ball on the 26-yard line. The Tigers scored and put the game out of reach for the Rebs.

After a disappointing loss to Neville, the Rebels went after the Ruston Bearcats. Ruston wasted no time getting on the scoreboard with a strong offense. But on the Bearcats kickoff, Ronnie Owens tucked the ball and raced from the Rebel 15 to score without a hand touching him. John Sullivan kicked the PAT. Ruston then took charge and scored again. Defensive lineback Phillip Elmore blocked a Bearcat punt for a safety. At halftime Ruston led 14-9 and there was still a chance but in the 3rd quarter, everything went wrong for the Rebs with interceptions and busted plays. Ruston scored again and again winning 34-9.

WEST MONROE REBELS TRAVELED TO ALEXANDRIA TO play the ASH Trojans. In the first quarter, Rebel tailback Bryan Boney raced 43 yards for the Rebel's first score with the PAT by John Sullivan. After a defensive battle the Rebs Bill Peterson galloped 30 yards for another score with John Sullivan again converting. But the Rebs defense could not stop the passing attack of the Trojans in the 2nd half. After scoring two touchdowns and one extra point, the Trojans went for two and won 15-14.

HIGHLIGHT OF THE SCHOOL YEAR ARRIVED AS HOMECOMING 1971 ENCOMPASSED THE lives of WMHS students. "Command Performance" was the theme of the assembly held to coronate Homecoming Queen and Court. Talents of many WMHS students were revealed as they performed before Queen Libby McClendon.

Once again, clubs and classes constructed displays to array the stadium area with color and contrast during Homecoming activities. Recipients of cash prizes in display judging were Anchor Club, first; Rebel Foreign Legion, second; Library Club, third; and Band, fourth. KLIC, local radio station, broadcasted from campus during the day, interviewed some students, as well as matching the cash prizes.

Then, with spirits high and nerves on edge, the long-awaited game against Bolton Bears arrived. With the score at 10-0, Bolton's favor, half-time entertainment began. As the second half started, eager Rebels were pushing for a touchdown. As the clock ticked faster, Rebels rushed for points. But as time ran short, the 16-14 score became final; Bolton with the two point lead.

REBELS HOSTING THE BASTROP RAMS FOR THE LAST GAME of the season. The Rams looking for a 2nd place in district play handled the Rebels easily. West Monroe couldn't get an offense going as the Rams penetrated the Rebel line at will. The Rebels hurt by numerous injuries throughout the season lost the last game of the season 33-0. We hope for a better season next year.

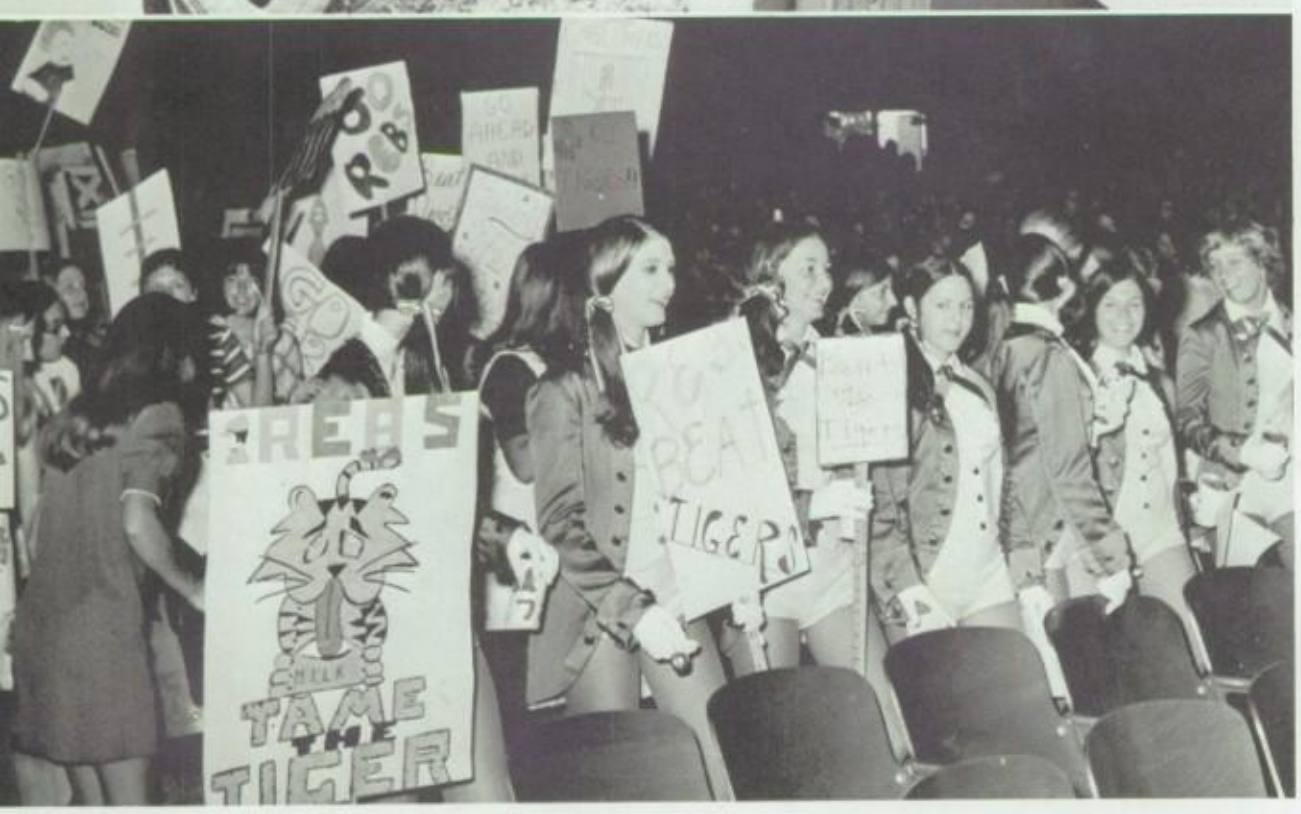
"SORRY, Charlie"

SMALL MOMENTS OF HAPPINESS AND THE MEMORIES of disappointment and defeat will never be forgotten by the Seniors, the Class of '72.

As the last bell rings, Seniors face a challenge of things to come, yet a realization that coming achievements will be attributed to West Monroe High School.

Remember . . . friends, teachers, pep rallies, contests, activities . . . all will become fond tokens in the treasury of memories. Seniors of 1972 venture—some boldly, others hesitantly—into a world of adults.

O Time, bring back those midnights and those glittering moments that a spirit lends. - John Masefield



Time is a sandpile we run our fingers in. Carl Sandburg

To every thing there is a season, and
a time to every purpose under the heaven:
A time to be born, and a time to die;
a time to plant, and a time to pluck up that
which is planted;
A time to kill, and a time to heal; a time
to breakdown, and a time to build up;
A time to weep, and a time to laugh; a
time to mourn, and a time to dance;
A time to cast away stones, and a time to
gather stones together; a time to embrace,
and a time to refrain from embracing;
A time to get, and a time to lose; a time
to keep, and a time to cast away;
A time to rend, and a time to sew; a
time to keep silence, and a time to speak;
A time to love, and a time to hate; a
time of war, and a time of peace.

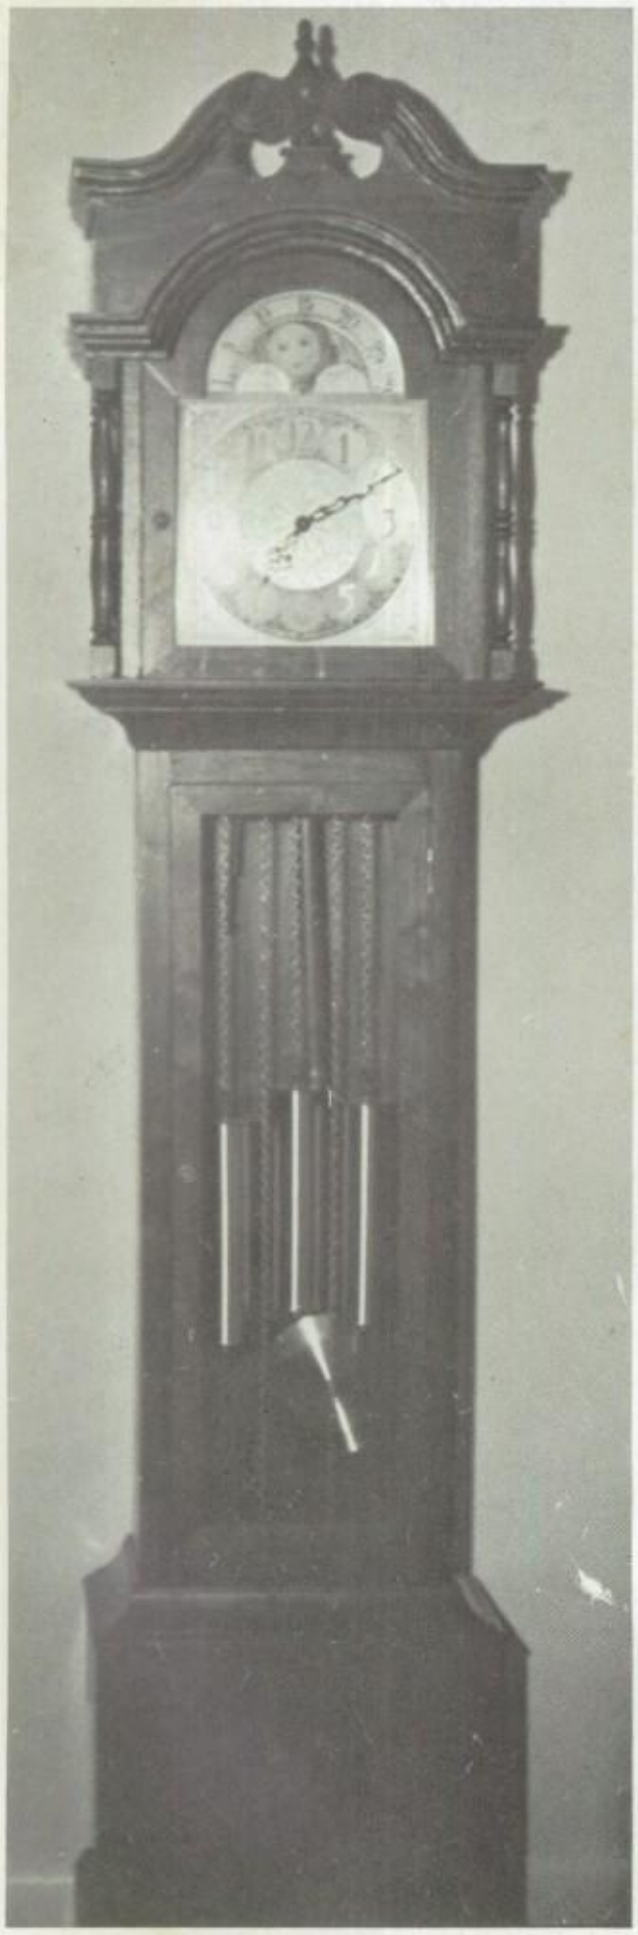
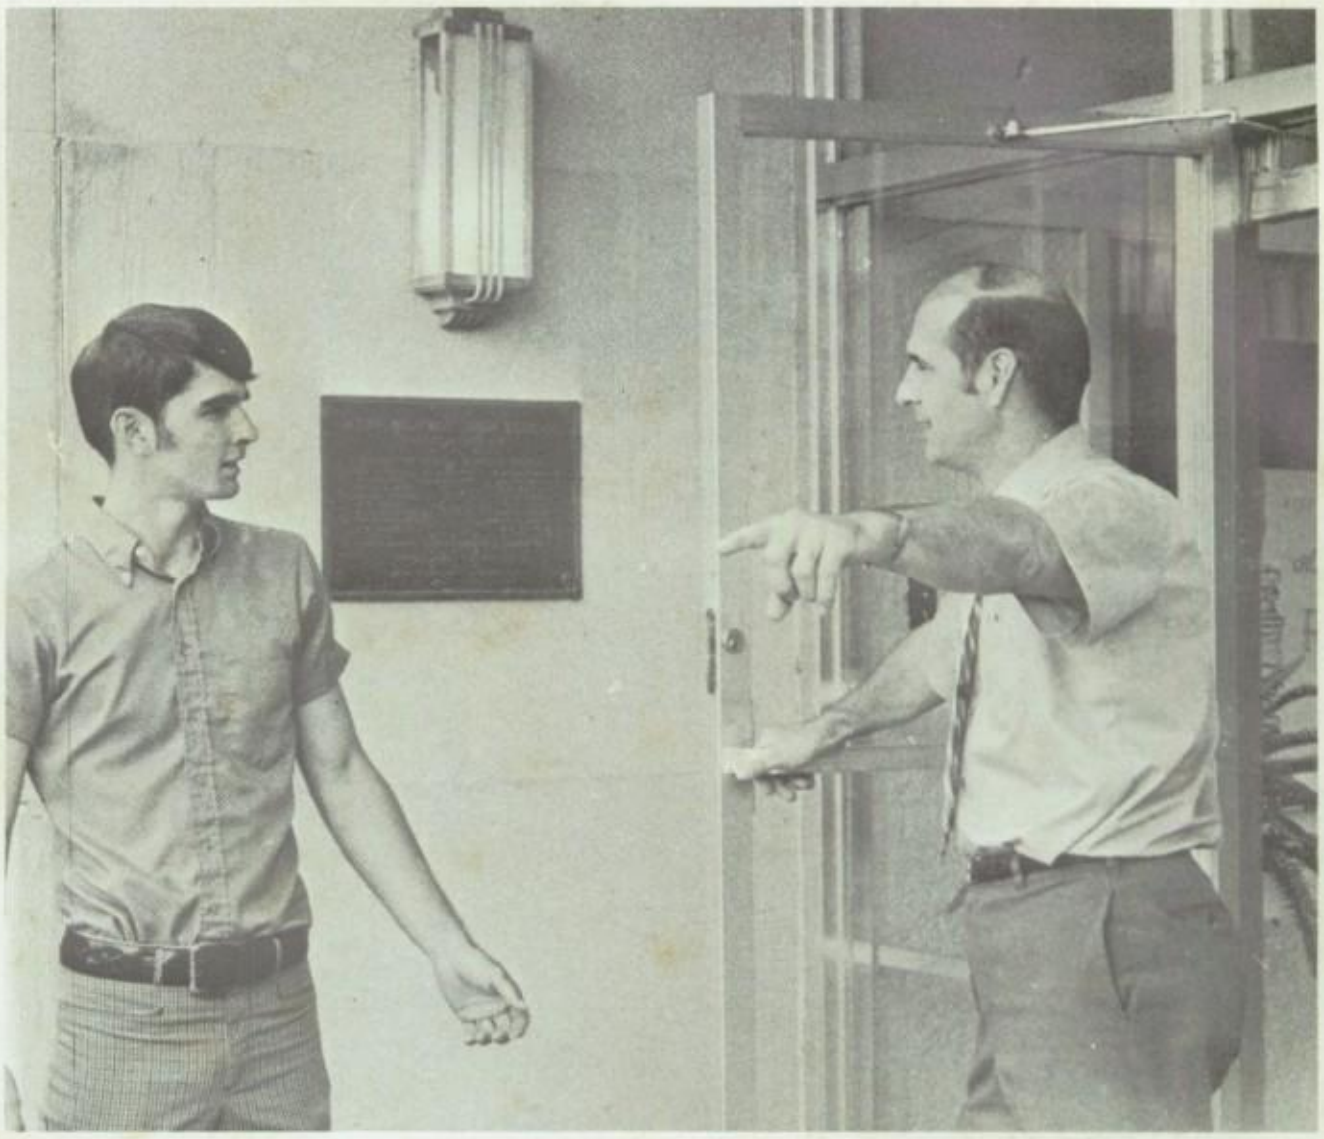
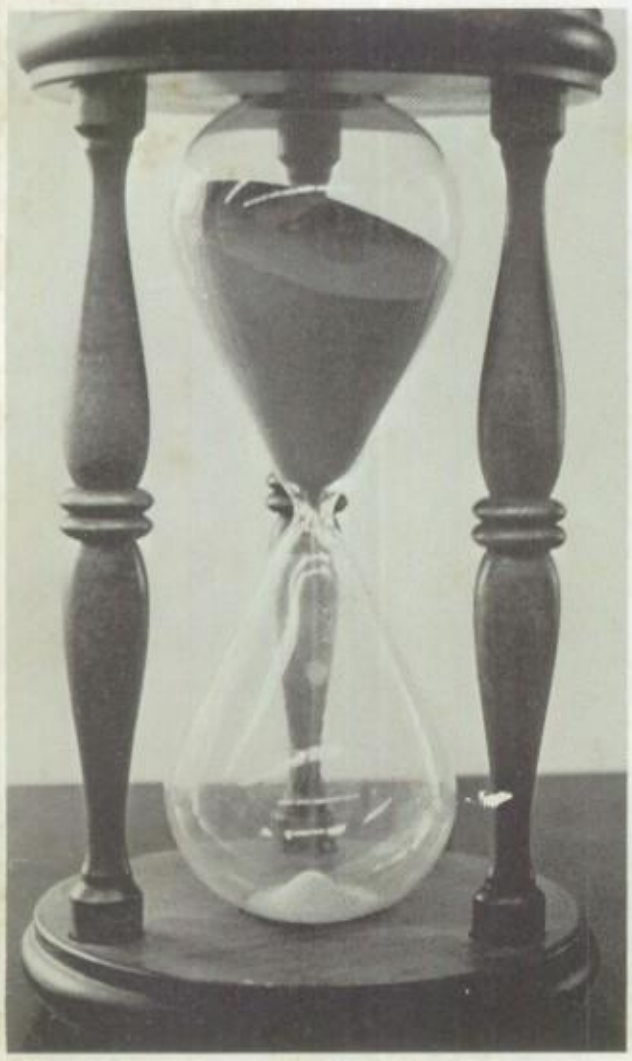
1972... a time for discovery and evaluation...



and a chance for us to leave...





Footprints on the Sands of Time.

To one of the few good-lookin guys left in the world!! We've known each other for a long time, lets always be friends. Stay Cool and try to stay out of wrecks and try to avoid those nasty tickets. I hope we have classes next year. Always remember Bookkeeping - And you had better never forget Me.

Love You,
Mer.
